

The Lion's Roar

SPRING 2026: THE OFFICIAL NEWSLETTER OF THE LISBON ALUMNI ASSOCIATION

2026 Alumni Banquet

May 23rd, 2026
Lion's Den
6:00 PM

Tickets: \$25 each
Dinner catered by Ruzicka Meats
from Solon.

2026 Honored Classes
1966, 1976, 1986, 2001, 2026

Facilities Tours will be offered beginning at 4:00 PM on 05/23/2026 to highlight the completed lobby renovations, added auditorium, new CTE building & new weight room! Meet in the Lobby by the Lion's Den. Tours will leave every 30 minutes with last tour at 5:30 PM. There will also be a silent auction that evening!

Please watch our Facebook page <https://www.facebook.com/LisbonIowaAlumniAssociation/> for updates.

Dinner is by reservation only. **Reservations are due no later than May 14th.** You may pick up your reserved tickets at the door, but no tickets will be sold that evening. See form on Page 12. \$25 Meal Tickets may be purchased several ways:

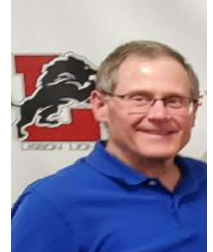

- In-person at Lisbon Insurance Agency
- Email your request to laa.lionsroar@gmail.com
- Contact Dean Mallie at (319) 551-2394 or Jeff Bohr at (319) 350-5849
- Mail your ticket order to Lisbon Alumni Association, PO Box 747, Lisbon, IA 52253

2026 Election of Officers:

Officer positions up for election in 2026 are Vice-President & Treasurer for 2-yr. terms. We need volunteers!! To be added to the 2026 ballot, please contact Jeff Bohr at (319) 350-5849.

From the President

Welcome to the 2026 edition of the Lion's Roar. Transformation or change only constant in life including people, situations, and the universe which is in a constant state of flux. Hence you cannot step into a flowing river and step into the same water twice. The Lisbon School has been focusing on the future. Come see the many changes and recent accomplishments. One of the main Association's focuses has been to create a scholarship to assist Lisbon graduates to continue to remain engaged in their chosen life focus. We have been able to get this done with several generous donations. Some have donated in memory of classmates, family members, or in thanks to the school that gave them a life foundation. Some have donated time on the research and creation. Please consider helping us increase the number of scholarships or the amount of each.

Some changes are difficult to accept. Please consider becoming more involved. I am no longer able to dedicate as much time to this project as in the past. A huge thank you to the many that have picked up the slack this past year and could use your additional assistance.

Dean Mallie, '75, President

2026 Officers

President: Dean Mallie, '75	Secretary: Maxanne Wood, '90
Vice President: Jeff Bohr, '79	Treasurer: Sandra Lighthall, '69
Support Committee Tammy Bohr, '81 Troy Caspers, '80	Dawn Gannon, '83 Julie Decious, '75

In Memoriam:

Deaths since the 2025 Newsletter

Please take a moment to remember our fellow Alumni we've lost in the past few months. Thank you.

- Judith Bigger Askew, 1965
- Gwen Kamerling Bulger, 1946
- Todd Conner, 1985
- Phyllis Benischek Decious, 1962
- Robert Denison, 1966
- Janet Stewart Fishwild, 1966
- Mark Graver, 1979
- Mike Greiner, 1985
- Steve Kepler, 1965
- Paul Krob, 1960
- Mary Cole Onstott Laing, 1946
- Rudy Light, 1971
- David Mattison, 1966
- Pamela Sayer McCabe, 1977
- Dannette Barta Patten, 1966
- Lorraine Ciha Reed, 1945
- Craig Smith, 1981
- Drake Sperfslage, 2014
- Homer Stoneking, 1955
- Shelly Stork, 1995

SPOTLIGHT ON ALUMNI

Casey Baxa – Lisbon High School, Class of 1998

For Casey Baxa, Lisbon has always been home. A 1998 graduate of Lisbon High School, Casey was deeply involved in school life as a student-athlete and leader. During his time as a Lion, he participated in track and field, baseball, football, and wrestling, while also being active in student council, choir, and FCA. Casey qualified for state in track and field and competed at the Drake Relays, was a three-time state qualifier in wrestling and the 1998 Class 1A 130lb state runner-up, and was also part of Lisbon's 1994 state championship baseball team, and 1995 state quarterfinalist football team.

After graduating, Casey worked for Ogden and Adams Lumber before finding his path in the water treatment industry. With a passion for learning and serving his community, he built a career around helping families improve their water quality. Today, Casey owns and operates CB Water Treatment in Lisbon, where he continues to grow his business while staying committed to learning and adapting as water quality concerns evolve.

(Continued above right)

(Casey Baxa, 1998 – Continued)

Casey also gave back to Lisbon athletics by coaching the high school track and field teams from 2012 to 2023. During that time, he helped lead the boys' program to the greatest run in school history, winning three consecutive State Championships from 2015–2017. The 2017 team still holds the Class 1A State Meet points record. Over his coaching career, Casey led seven teams to state trophies and was honored as the Iowa National Coach of the Year in 2017.

Casey and his wife, Laura (Reinken) Baxa, Lisbon Class of 1997, have built their life in the same community that shaped them. Together they are raising three daughters — Madison, Brynnley, and Kennedy. Casey remains proud of his Lisbon roots and grateful for the mentors, teammates, and experiences that helped shape the path he continues to follow today.

.....

Please Help the Lisbon Alumni Association Reach Its Financial Goals

Note that 2023 was a rough year financially for the LAA, with limited improvement in 2024. We were not able to do any organized fundraising during the past three years. That is why for 2026 we are asking for your help. The current active board and committee members have been involved now for the past 9 years. When this current group stepped up, the LAA was in danger of shutting down. With your past help, we have once again stabilized operations. In 2025, thanks to the generous support of a 1977 Alumni, we've been able to take that next step, which was to collect enough funding to be able to offer two deserving LHS Senior Graduates a LAA Scholarship!! The LAA's initial scholarships will be awarded in May 2026!!!

Note that we worked very closely with the Lisbon School Foundation members to set up our scholarship through their program. As such, we were able to deposit \$15,750 to fund our scholarships for 2026 and beyond. With estimated annual growth of 5% in our deposit investments, which will fund two annual \$375 scholarships perpetually!

Note that we would love to get more donations to increase our scholarship funds in order to fund either more scholarships in the future, or, hopefully, increase the amount of the two annual awards. To that end, we are asking all Lisbon Alumni everywhere to please consider a donation in whatever amount you can give to our Scholarship Fund; every dollar counts!

Also, please consider becoming active on the LAA Support Committee and/or consider running for one of the two officer positions up for election at the 2026 Banquet. Either way, your assistance is very appreciated! Thank you!!

Jeff Bohr, '79, Vice-President

Lisbon Community School has finished an exciting expansion, providing opportunities related to Career Tech Education (“CTE”) and learning, athletics, and overall school improvement.

Project scope of work encompassed a three-phase approach:

- Phase One, includes boiler removal, utility work, interior demolition, and prep work for the addition. Phase One work was completed during the 2023/2024 school year.
- Phases Two and Three, includes the following additions: Career and Technical Education (CTE) space located at the NE corner of the H.S. building; weight room addition along the south outside wall of the Lion’s Den; and additional classroom space as part of the CTE Addition. Additionally, the Lion’s Den Lobby was completely reworked along with the Legacy Hallway. On August 27, 2024, the Weight Room addition and Foyer/Lobby remodel were substantially completed. That portion of the project includes the following key improvements:
 - A dedicated space for weight and strength training.
 - A new illuminated *Signature Lisbon Lion* exterior sign.
 - Upgraded air conditioning for the Lion’s Den.
 - A remodeled Foyer, designed to create an open and improved circulation space.
 - A new concession area with displays that highlight Lion's Den activities.
 - A dedication plaque to honor the donors of the Andreas Addition.
 - A historical school bell display.
 - An interactive display monitor, which will be customized to feature alumni achievements, school activities, and academic successes. This display offers future flexibility to highlight ongoing school accomplishments.
 - Additionally, the 1939 High School gym received new lighting, and the damaged wood floor was repaired, restoring its full functionality as both a gym and recreational space.
 - The CTE addition was substantially completed on December 6, 2024. This new CTE shop space spans 2,855 square feet and is equipped for both wood and metalworking activities, with a dedicated paint finish room featuring independent ventilation. The CTE addition also includes:
 - Four new classrooms.
 - A collaborative open space with future expansion capabilities.
 - A secure storm shelter rated to withstand 250 mph winds, designed with a precast structure and specialized coiling shutters to protect against projectiles.
 - At present, final punch list items are being addressed, and the ongoing refresh of the Legacy Hallway continues. Below are pictures of the new spaces.

Thank you for your continued support of this important project. Please feel free to reach out with any questions or for additional information.

Best regards,
John Baker
School Board Member, Facilities Co-Chair
Lisbon Community Schools

Building the Future: Students Grow in Industrial Tech – By Teacher Kirk Wischmeyer, Lisbon H.S.

It has been an incredible couple of years of growth for our Industrial Technology department. Just over a year ago, we were able to welcome students into our brand-new **shop addition**, a state-of-the-art facility designed to mirror modern industrial environments. This expansion has not only given our students more "elbow room" to tackle larger projects but has also allowed us to integrate industry-standard safety and organizational workflows that better prepare them for the professional world.

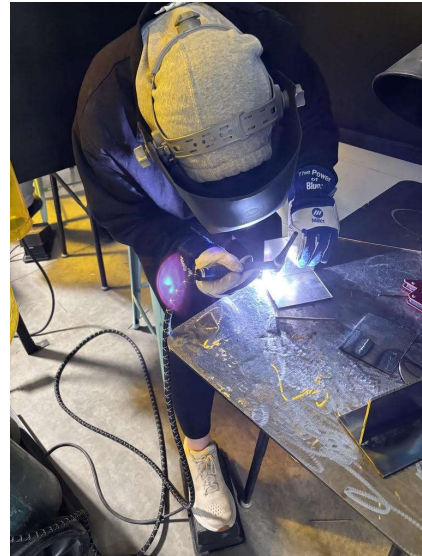

Beyond the new walls, our curriculum is growing to meet the demands of today's economy. While our **Construction and Engineering** tracks remain the backbone of the program, we have added new **Welding classes**. Students are now gaining hands-on experience with MIG and TIG processes, bridging the gap between structural design and physical fabrication.

We are proud to continue expanding our course offerings by adding two new Kirkwood concurrent enrollment classes for next year: Solid Modeling and 3D Printing. We invite all our alumni to stop by anytime and see the new shop in action and witness the impressive work our next generation of builders and engineers is producing.

(See related photos below)

A student displays his TIG welding bead

A student practices their new TIG welding skills

Students demonstrate proper safety and tool use on the miter box saw

Construction Technology students assist with installing new shelving in the school sponsored Caring Closet

Class of 1965

Thursday, May 27, 1965. That was graduation day for 32 Lisbon High School seniors. We were a kindred and congenial group as many small, rural Iowa classes were. Many of us had been friends since kindergarten in 1952, while other companions joined us on the journey. During the 1950's we took part in the clinical trials for the new polio vaccine. Boxy televisions with black and white screens entered our homes much to our amazement. Life outside Lisbon began to influence us. As baby boomers we listened to the latest music of that time called rock and roll and followed Sputnik and the ensuing space race.

In 4th grade we entered the new K-6th grade elementary building. It even had a designated lunch room! We matured quickly in the 1960's. We grappled with the Kennedy assassination, cultural upheaval and a developing "hippie" lifestyle.

At Lisbon High School we didn't dare misbehave as we learned to write, speak and appreciate literature with Mrs. Wilma Briggs. The boys were part of a new wrestling program. In 1961 the girls fielded the first softball team. Little did we know that both programs would go on to state championships. Maybe we should take partial credit!

In 1964 our senior year started off in a brand new high school facility. By that May 27 date we thought we had confronted a lot of events and relationships. We weren't aware however of the challenges and accomplishments ahead. Several of our number entered the workplace. Others chose marriage. Many left Lisbon for college. The military called and numerous boys, now men, faced and courageously coped with Vietnam

We scattered. We were occupied with life. A few reunions were attended where we usually recognized each other. Time passed all too quickly.

Then came covid. Our whole nation was homebound. Some discovered Zoom. This turned out to be an opportune means that drew a few of our class of '65 "virtually" together. We continue to this day to gather once a month or so. We chat about Lisbon then and now, school memories, families and whatever interests us. Very informal. Very comfortable. For those of our class who began kindergarten together, it is 73 years of friendship! There are often 10 of us companions, including a few spouses, who look forward to this conversational journey. Regrettably, several are no longer with us. Some folks have lost touch.

We remain committed to continue connecting in this way. We extend a warm welcome to classmates who would like to join our Zoom gatherings now and then. Our 60th milestone was last May. Our journey continues. If you are interested please contact: Pam (McCann) Gray, pamela.gray1@gmail.com.

Active Members & Volunteers Wanted!

We are always looking for additional LHS Alumni to be active with our ongoing group that meets regularly throughout the year. While we have a small group of dedicated, active members, and we welcome others. Upcoming meetings information is sent through the Lisbon Daily Pride a few days in advance. During our meetings, we discuss ongoing LAA needs, including ways to improve reaching more alumni through social media and email. Due to the significant expense to print and mail the Newsletter, we will be distributing via our FB page and by email only going forward. If you are interested in being involved in our meetings, or if you want to continue to receive a printed copy of the Newsletter, please contact us at laa.lionsroar@gmail.com. Thank you!

LISBON ALUMNI ASSOCIATION HALL OF FAME

Please see below for information and photos of our 2025 Hall of Fame Inductees

For 2026, we are once again challenging all former LAA Hall of Fame (“HOF”) Inductees to nominate an Alumni they feel is worthy of the HOF honor. The individual(s) are required to have graduated at least ten (10) years ago. Please see the nomination form with the five (5) category descriptions and the related criteria for nominees. We also ask all Lisbon H.S. Alumni to review the below categories and complete your own nomination(s). There are dozens of Alumni out there who are more than deserving of induction to the LAA HOF! Send your completed Nomination Applications to: Lisbon Alumni Association, PO Box 747, Lisbon, IA 52253 or email to laa.lionsroar@gmail.com. You can find the nomination form at the following link: https://drive.google.com/file/d/1fjhKmRykeKDneffrbmIrhvO1lu4-l7Gw/view?usp=drive_link

LISBON ALUMNI ASSOCIATION 10/03/2025 HALL OF FAME INDUCTION

LHS Service Award - Dean Mallie, Class of 1975

The LHS Service Award is given to alumni for specific and meritorious service to any not-for-profit organization or for military service. Service must be for a non-compensated capacity for non-profit organization nominees, or for a full-time past or present member of the U.S. Military.

Dean has been directly involved with the reorganization and revitalization of the Lisbon Alumni Association (the “LAA”) since 2016 and has served as the organization’s President since then. Among Dean’s accomplishments serving as the LAA’s President included coordination and finalization of the information needed to obtain federal non-profit organization status for the LAA in 2019.

Dean has donated countless hours of his time coordinating the activities of the LAA including researching, gathering history and data base contact information for the completion of the LAA’s annual newsletter. Dean also served as the Chairman of the Alumni Association Hall of Fame selection committee through 2024.

In addition to Dean’s 10 years of tireless dedication to the Lisbon Alumni Association, he also previously served 10 years on the Lisbon Community School Board of Directors, during which time included two of the school's major building projects.

LHS ACHIEVEMENT AWARD – ROGER DEYOUNG, FORMER BAND DIRECTOR

The LHS Achievement Award is given to alumni or faculty who have earned recognition for their achievements and contributions in their professional life and has demonstrated a high level of achievement in their field and makes/has made significant contributions in that field.

Mr. DeYoung served as the head Band Director for 29 years and grew the Lisbon program to levels previously unknown. At the peak of the growth, shy of 50% of all high school students were in the band program. He was the director for the bands in grades five through twelve and maintained the Concert and Jazz Band programs as well as adding or growing the Marching Band, Pep Band, Pit Band, and Parade Band. As well, Mr. DeYoung committed to providing individual lessons to all musicians during the school year and offered a yearly summer lesson program. His teaching touched all of Lisbon through concerts, halftime performances, pregame renditions of the National Anthem, background scores for LHS musicals, or marching in the Memorial Day parade. For years, his groups were a part of most everything “LISBON”.

(Continued on the next page)

(Continued from previous page)

Mr. DeYoung directed the first Lisbon Band to perform at the Iowa Bandmaster Association. His led groups also qualified for the Iowa Jazz Championships yearly from 2005-2012. His concert groups routinely earned Division ONE ratings as did his variety of solo and ensemble groups. While comprehensive records from the early 1980s are incomplete, Mr. DeYoung's musicians recorded more than 300 Division 1 ratings in solo and ensemble contests during his tenure at Lisbon HS.

Mr. DeYoung is universally respected at the local and State level. He has been honored by the Northeast Iowa Bandmasters Association as the recipient of the Sehmman Award - given to directors who both serve the association as well as produce quality band programs. He has also been honored by the Iowa Bandmasters Association as recipient of the Karl King Award - given to those who have contributed immeasurably to the school band movement" and have made "significant contributions to the IBA organization." Roger has instructed numerous students who have gone on to play at the collegiate level, the professional level and who are current band directors across the U.S.

Professionally, Roger is a member of the Iowa Bandmasters Association and the Northeast Iowa Bandmasters Association. He continues to be involved in public school music education serving as a mentor to new directors, as a guest clinician and as a judge at the State level.

LHS COMMUNITY IMPACT AWARD – IRIS COOK, FORMER LECCEC DIRECTOR

The LHS Community Impact Award is given to alumni or faculty and staff members who should be recognized for their service contributions to the Lisbon community in any capacity and service for any reason. The 2025 Inductee is Iris Cook, founding member and Director of the Lisbon Early Childhood Care and Education Center.

Iris spent her career teaching and caring for children. She headed up the LECCEC Development Committee back in 1990-1991. The establishment of a daycare and learning center within Lisbon Schools was her idea and was brought to fruition by Iris and then Superintendent David Bradley's efforts. Fund raising for the playground and air conditioning in the former shop space under the old gym was chaired by Cathy Jordan. A plan for remodeling the original shop area was created and accomplished. The School Board approved the idea and plans in early 1991. The Center opened in August 1991. Among Iris's accomplishments with the LECCEC included:

- Iris served as Director of the Lisbon Early Childhood Care and Education Center (LECCEC) from 1991-2004.
- Iris was responsible for the development and enhancements of the LECCED programs including regular doses of safety lessons. In the first five years of operation there were only two medical situations. One child needed stitches from a playground injury, while another child received minor injuries from a water fountain accident.
- In the LECCEC, every moment of the day was a learning opportunity which included no toys that would encourage aggressive behavior. Even winter provided play learning as the children shoveled and moved snow from one side of the play area to another.
- Iris also developed and coordinated a new before and after school care program in 2005 for older school aged children.
- The Center has touched the lives of many families within the Lisbon School community, serving multiple generations of children!
- While the center is known today as LECC, its legacy and humble beginnings live on!

(Continued on the next page)

(Continued from previous page)

LHS ATHLETICS AWARD - LORI SIGGINS MCMAHON, CLASS OF 1981

The LHS Athletics Award is given to alumni with exceptional accomplishments in athletics while attending LHS. Statistical records and awards, All-Conference award(s), All-State award(s), and/or State Championships earned are all considered.

Lori Siggins McMahon was a 3-sport standout during her time at LHS, playing Softball, Track and Basketball. Honors and records she received and achieved during her career include:

- Softball All State Honor – 5th Team All State 1981. Note that at that time there was only one overall All State Team for all classes.
- Lisbon High School Softball All-Time Career Records based on standings through the 2024 Season include:
 - Homeruns – 1st with 26.
 - Batting Average – 7th with a .406 Average
 - RBI's – 12th with 138.
 - It should be noted that during Lori's High School career fewer games were played during a season as compared to the number of games per season in more recent years.
- Buena Vista College – Inducted into their Softball Hall of Fame.
- Lisbon High School Track Record – Through the 2025 season, Lori still holds the record for the Shot Put with a throw of 38 feet, 4-1/2 inches which she set during the 1980 season.

If you know any of the latest 2025 HOF Members, please reach out to them and congratulate them on their induction! Also, if you know of other deserving alumni members for the Hall of Fame, please nominate them as shown above. This year's deadline for turning in forms is 05/31/2026. You can also use the form included with this Newsletter.

LISBON ALUMNI ASSOCIATION HALL OF FAME
CALL FOR NOMINATIONS (Due by May 31st Annually)

GUIDELINES | INFORMATION

All nominees must be an LHS Alum at least 10 years after their graduation date except for the LHS Achievement Award. Winners will be announced annually in August at Sauerkraut Days and will be inducted prior to the start of that Fall's Lisbon Homecoming Football Game.

LHS ACHIEVEMENT AWARD

Given to alumni or faculty who have earned recognition for their achievements and contributions in their professional life.

Demonstrates a high level of achievement in their field and makes significant contributions in that field.

LHS SERVICE AWARD

Given to alumni for specific and meritorious service to any not-for-profit organization or military service. Service must be for a non-compensated capacity for non-profit organization nominees or a full-time past or present member of the U.S. Military.

LHS COMMUNITY IMPACT AWARD

Given to alumni who should be recognized for their service contributions to the Lisbon community in any capacity and service for any reason.

LHS FINE ARTS AWARD

Given to alumni with exceptional accomplishments in the fine arts while attending LHS. Conference honors, Superior ratings, All-State recognition(s), major roles in theatre productions, concerts, etc.

LHS ATHLETICS AWARD

Given to alumni with exceptional accomplishments in athletics while attending LHS. Statistical records and awards, All-Conference award(s), All-State award(s), and / or State Championships earned.

LISBON ALUMNI ASSOCIATION HALL OF FAME NOMINATION FORM

NAME OF NOMINEE: _____

HIS/HER ADDRESS (If known): _____

HIS/HER PHONE NUMBER (If known): _____

SELECT NOMINATION CATEGORY: Achievement Service Community Impact Fine Arts Athletics

DESCRIPTION OF QUALIFICATIONS (Attach additional sheets if necessary): _____

NAME OF PERSON SUBMITTING NOMINATION: _____

ADDRESS: _____ CITY: _____ STATE: _____ ZIP: _____

EMAIL ADDRESS: _____ PHONE NUMBER: _____

All awards will be granted based on nominations, which can be submitted by mailing this form to: LAA, PO Box 747, Lisbon, IA 52253

The Lisbon Alumni Association Hall of Fame Committee will review nominations

Hall of Fame Selection Committee

A committee has been formed, independent of the Board of Directors, to make the selection of the 2026 Hall of Fame honorees. We need five volunteers to fill the committee. This would involve one meeting in July or early August, with the presentation event held at the Homecoming football game later in the Fall. Contact Jeff Bohr at 319-350-5849 or at laa.lionsroar@gmail.com to volunteer.

Also, we're asking all Alumni and past Inductees to consider nominating individuals that graduated or retired 10 or more years ago for the LAA Hall of Fame. You can access the nomination form at the following link: [LAA Hall of Fame Nomination Form](#).
